**Faithful Navigator's Report – Brian Shollenberger**

We had first nominations for next year's officers. Here is the list of the nominations. **Come** to the next meeting to nominate and vote for **OUR** officers. I talked with some of the PFN officers before the nominations about who should be moved up and we decided that chair officers should try to be in office for 2 years. This way we learn our position then we can run our position. That does not mean that anyone is locked into 2 years and that someone else can't be nominated and voted in. I also talked to the chair officers about this also without any dissent. Here is our nominations, the opening have people that want to fill the spot but were excused last meeting.
